The concept behind the Belum Eco Resort (BER) is about truly getting back in touch with nature. Giving mother nature its due respect, Belum Eco Resort was hand-built without the use of any heavy equipment. That same practise is applied to the design and the way they run the resort, an appreciation of the natural environment, the habitat and respecting the eco-system of this age old rainforest.

'A' chalet built along scenic foothills

Tatami mattress; No air-con with ceiling fans
